

SEASON  
OF  
HOPE

*Help us make the holidays brighter for a child with cancer*

## Season of HOPE

### Sponsor a PADRES Family through our Adopt – A – Family Program

The holidays are a magical time for children. For a child with cancer, the holiday season is one that should be filled with joy and HOPE.

Please join us in making this time of year a special experience for a PADRES family by sponsoring them or making a donation to PADRES through our Adopt – A – Family Program.

Sponsoring a PADRES family is easy, just follow these simple steps:

1. Fill out the required forms, which include selecting the number of family members you would ideally like to sponsor. Please return via email or fax to Dora Bastida.  
Email: [dbastida@IAmHOPE.org](mailto:dbastida@IAmHOPE.org) Fax: (888) 441-0056
2. A PADRES Team Member will then contact you to match you up with one of our families in need. We will make every effort to try to match you with the appropriate family size and location requested but may not be able to fulfill that based on families in need. Most families PADRES works with are large. You can however partner with other friends and colleagues to fulfill a wish request.
3. To aid you in selecting gifts, we'll provide you with your family's wish list, which includes clothing sizes and interests.
4. Present the gifts to your sponsored family. Gifts must be delivered in person or dropped off at the PADRES office.

Delivery of gifts is scheduled to take place between December 1<sup>st</sup> and December 18<sup>th</sup>, so please get started early as an individual or as a group with your family, friends, or colleagues.

### Other Gifting Opportunities

In addition to our **Adopt-A-Family** program, PADRES is also accepting gift cards or sponsorships that will benefit PADRES families in the following locations:

- Greater Los Angeles
